15 Club Calves

DON CAMPBELL, Jet, Oklahoma sells 2 bulls, 7 cows with calves at foot, 7 bred heifers and 10 open heifers, all sired by the 1959 Kansas State Show and sale grand champion and top selling bull, MAJOR WORDSWORTH. The females have all been bred to the 1962 Kansas State Sale champion and top selling bull, WONDER K 6th, by MSU Wonder 5th, that was bred and sold by Kansas State University, Manhattan, Kans. The dam of this bull is by the International reserve grand champion, Gregg Farms Hoarfrost. Prior to that time Don Campbell also used, CLIPPER MAX 6th, a former Kansas champion by the noted Clipper Max. Nothing but top bulls and outstanding Scotch females have been used in the Campbell herd which was started by W. R. Campbell in the early 1900's. The Campbell Shorthorn herd has always been known as a "working herd", the kind of cattle that can go out and do the job under average farm and ranch conditions, with no extra pampering. Campbell-bred steers have won high honors in Oklahoma regional and state shows for many, many years, where they were exhibited by the seven sons and daughters of Mr. & Mrs. Campbell.

DICK McKEE & SONS Waldron, Kansas sell 6 bulls, and 26 open heifers. The McKee herd was started in 1945 with a foundation of Campbell Shorthorns. The bulls include a full brother to the 1961 Salina Show and Sale champion and top selling bull sired by Bounce's Prince 3d by HHF Princeton Bounce. 10 of the young bulls and females are sired by Barclay Charles, 1961 Salina reserve grand champion bull, bred by Schreiber Farms, St. Joe, Missouri and sired by Crichton Prince Charlie. 15 of the fancy young, open heifers nearly all yearlings, ready to breed this spring, are sired by Fancy Gambler, outstanding breeding son of the \$6,000 Clear Creek Gambler. From this same Gambler line have come some of the most outstanding Shorthorns in the middlewest from such noted herds as Collier, Coffee, Rayburn and many others.

Everything sells T.B. and Bangs tested and full guaranteed.

REF. SIRE A - MAJOR WORDSWORTH - Grand champion of the 1959 Kansas State Show and Sale at Hutchinson and probably more like his sire, the well-known Uppermill Wordsworth owned by Tomson Bros., Wakarusa, Kans., than any other bull Tomson's have ever bred and sold. Major Wordsworth is a great-headed, level-lined, thick, deep bull with plenty of size and scale and like his sire is very sound on his legs and feet and walks and moves well. His 26 sons and daughters will be among the features of this sale and he is stamping them with his great prepotency.

The dam, Mercury's Secret K is by the International reserve grand champion, Gregg Farms Hoarfrost. A full sister to Wonder K 6th was champion in the 1962 Kansas State Fair for Kansas State. SALE MANAGER'S NOTE --

Don Campbell and Dick McKee & Sons both have modern, up-to-date, practical beef cattle operations. Top herd bulls have always played a part in the production of quality calves in both of these herds and the Campbell herd which traces its foundation to the early 1900's, has good-doing Short-horns that meet the requirements of the practical cowman, as well as those seeking show quality with plenty of weight for age, good-doing ability and substance.

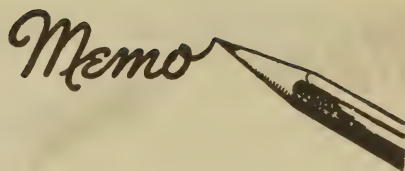

Don Campbell is selling 26 young sons and daughters of MAJOR WORDS-WORTH, the bull that most looks like his famous sire, Uppermill Wordsworth. These females carry the mating of the 1962 Kansas champion, Wonder K 6th, half brother to the grand champion bull at both 1963 Kansas State Fairs shown by Kansas State University of Manhattan.

The McKees sell a full brother to their 1961 Salina grand champion bull and the uniform quality and breeding of this entire offering, will certainly appeal to top cattlemen everywhere. Everything sells in just strong breeding condition, just right to go out and do well for the new owners --
